

**Notice: Export Program Notary Fee Increase:**

(Per Amendment to California Government Code Section 8211 and 8223)

Effective: July 1, 2017

The California Government Code Sections 8211 and 8223 were recently amended to increase notary fees from \$10.00 to \$15.00 allowing the Export program the authority to increase our notary fees to \$15.00. The Export Program will continue to provide good and timely service to the California food, drug, medical device and cosmetic exporters.
