

Legislative Mandate

Proposition 64 (passed in 2016 and enacted in 2018):

The Control, Regulate and Tax Adult Use of Marijuana Act (AUMA)

Legalized the recreational sale and use of cannabis to people over the age of 21 and set up the **Cannabis Tax Fund** that funds youth education, prevention, early intervention, treatment, and school retention in California.

Cannabis Tax Fund
Made up of cannabis excise taxes

1. Funds first go to:
 - Regulatory and administrative workload costs needed to implement, administer, and enforce Proposition 64 not covered by license fees
2. Specific amounts of funds then go to:
 - Research and activities related to the legalization of cannabis and the past effects of cannabis-related criminalization
3. Remaining funds then used for:
 - The **Youth Education, Prevention, Early Intervention and Treatment Account (YEPEITA)** (60%)
 - Environmental Programs (20%)
 - Law Enforcement (20%)

California Department of Public Health (CDPH), Substance and Addiction Prevention Branch (SAPB) receives Proposition 64 **YEPEITA funds** to administer the California Youth Prevention Initiative.

California Cannabis Surveillance System (CCSS)

A public health data collection and analysis system for youth and adult cannabis use; legal, social, and environmental impacts; and health outcomes

Cannabis Education and Youth Prevention Program (CEYPP)

Provides health education and prevention to reduce the negative impacts and consequences of cannabis use through state and local partnerships, public awareness, and social marketing campaigns
