## Pre-Registration for the CDPH Pre-Standardization Winter/Spring Conference

The California Department of Public Health (CDPH), Food and Drug Branch (FDB) will be providing in-person Pre-Standardization Conference training for State Standard Candidates and Registered Environmental Health Specialists (REHS) who are active retail food inspectors, working in local retail food protection programs. Each conference is three days long and consists of interactive presentations and classroom activities, focusing on different topics such as Hazard Analysis Critical Control Point (HACCP), Foodborne Illness Risk Factors, Active Managerial Control, etc.

Pre-register using the QR code provided below. Priority registration will be given to State Standard Candidates. Candidates are required to attend one Pre-Standardization Conference prior to scheduling their field Initial Standardization to become a State Standard. A certificate of completion and CEUs will be provided to registered participants after successful completion of the conference.
