About [Close] [Maximize]

This map shows ASP Honor Roll award designations for California hospitals. Designations are for Bronze, Silver, and Gold, and apply to antimicrobial stewardship activities for the past three calendar years. Awards expire three years and three months after each application deadline. [View Map User Guide](#)

Query Tool:

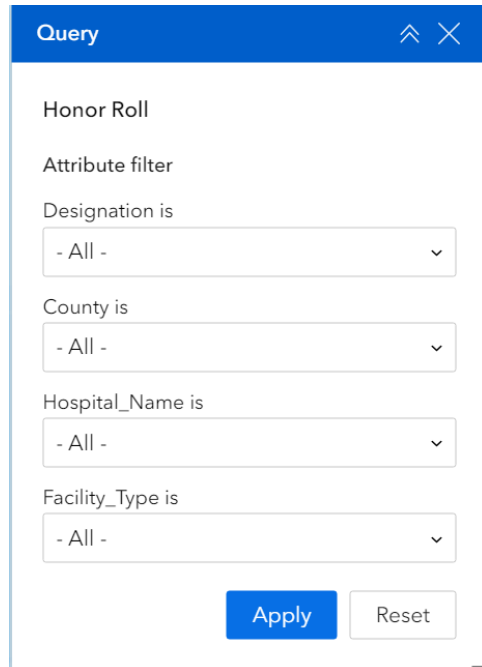

Query by designation, county, hospital name, facility type or by all four (designation/county/hospital name/facility type).

Once an item is selected from one of the drop-down fields, you can click “Apply” to view the results of the query.

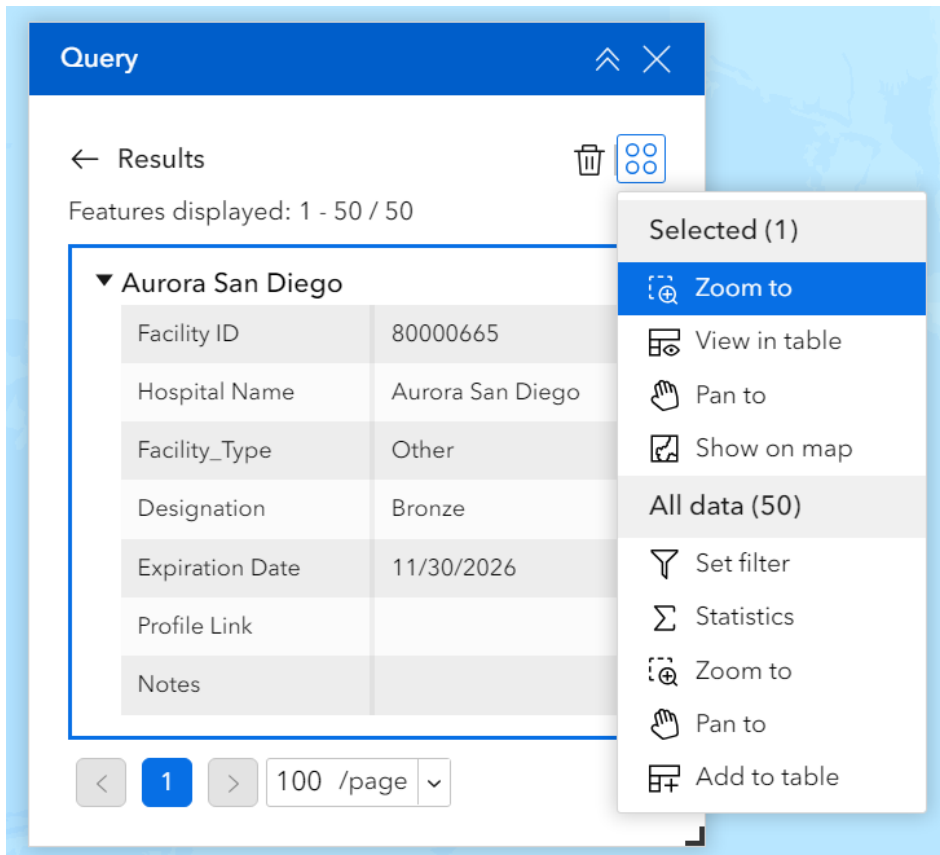

For example, if a user selects the “Bronze” designation and clicks apply, a list of the results will appear.

Then the user can click on a specific facility

and then click the action icon  and “Zoom to” to zoom to the location.

The screenshot shows a 'Query' window with a blue header and a close button. Below the header, the text 'Honor Roll' is displayed. Underneath, there is an 'Attribute filter' section with four dropdown menus: 'Designation is', 'County is', 'Hospital_Name is', and 'Facility_Type is'. Each dropdown menu currently shows '- All -'. At the bottom right of the window, there are two buttons: a blue 'Apply' button and a white 'Reset' button.

The screenshot shows the 'Results' section of the application. At the top, there is a 'Query' window with a close button. Below it, the text 'Results' is displayed with a back arrow and a trash icon. The text 'Features displayed: 1 - 50 / 50' is shown. A table is displayed with the following data:

▼ Aurora San Diego	
Facility ID	80000665
Hospital Name	Aurora San Diego
Facility_Type	Other
Designation	Bronze
Expiration Date	11/30/2026
