

Psychology Clinic (PSYCHC) Report of Change Application Instructions for Change of Administrator

To request and submit changes to a licensed facility in California, complete the required application forms and submit them with all of the identified supporting documents. The Centralized Applications Branch (CAB) will not process incomplete applications. Refer to the [sample application packet](#) to assist in completing a Change of Administrator (CHOA) application.

These instructions assist in preparing a PSYCHC report of change application packet for a CHOA.

Please read each required application form carefully and:

- Provide all requested supporting documents
- Retain a copy of the completed application forms and supporting documents – CAB may contact the applicant and will refer to the information provided

Review Process

CAB receives an application packet and assigns an application ID number in the Electronic Licensing Management System. A CAB analyst reviews the application packet to validate receipt of all of the required forms and supporting documents. Application packets missing forms and/or supporting documents are incomplete and may result in a delay in processing.
