Management Memorandum

Memorandum Number: 2018 – 08

DATE: April 09, 2018
TO: ADAP ENROLLMENT WORKERS
SUBJECT: ANNOUNCEMENT OF GO-LIVE DATE FOR PHASE ONE (UNINSURED) OF THE PRE-EXPOSURE PROPHYLAXIS ASSISTANCE PROGRAM (PREP-AP)

The purpose of this management memorandum is to inform enrollment workers of the official go-live date for phase one (uninsured clients) of the PrEP-AP.

Phase One (Uninsured) Go-Live

OA has reached out to 79 enrollment sites that meet the implementation criteria as communicated in [Management Memo 2018-01](#) to communicate Monday, April 09, 2018 as their go-live date. As of April 9, these enrollment sites can begin enrolling uninsured clients in the PrEP-AP to receive assistance with: 1) approved PrEP-related medical out-of-pocket costs, and 2) medications on the PrEP-AP formulary for the prevention of HIV and treatment of sexual transmitted infections (STIs), excluding Truvada® which is provided free by the drug manufacturer. As of this date PrEP-AP enrollment functionality will be turned on in the ADAP Enrollment System for the 79 enrollment sites identified in the enclosed enrollment site list. Additionally, OA has contracts executed with 10 clinical providers who currently make up the PrEP-AP Provider Network. OA will continue to send updates to all enrollment workers via enrollment worker communications as additional ADAP Enrollment Sites are approved to perform PrEP-AP enrollment, and as additional clinical providers are on-boarded as part of the PrEP-AP Provider Network.

Enrollment Resources

The OA webpage has been updated to include tools to assist enrollment workers with enrolling clients in the PrEP-AP and to help identify the closest clinical provider in the PrEP-AP Provider Network when making client referrals. To access the webpage please visit <https://www.cdph.ca.gov/Programs/CID/DOA/Pages/OAadap.aspx>. These resources, along with job aids have also been uploaded to a SharePoint site which will house training materials available to
